

Obtaining a Patient Portal Security Token

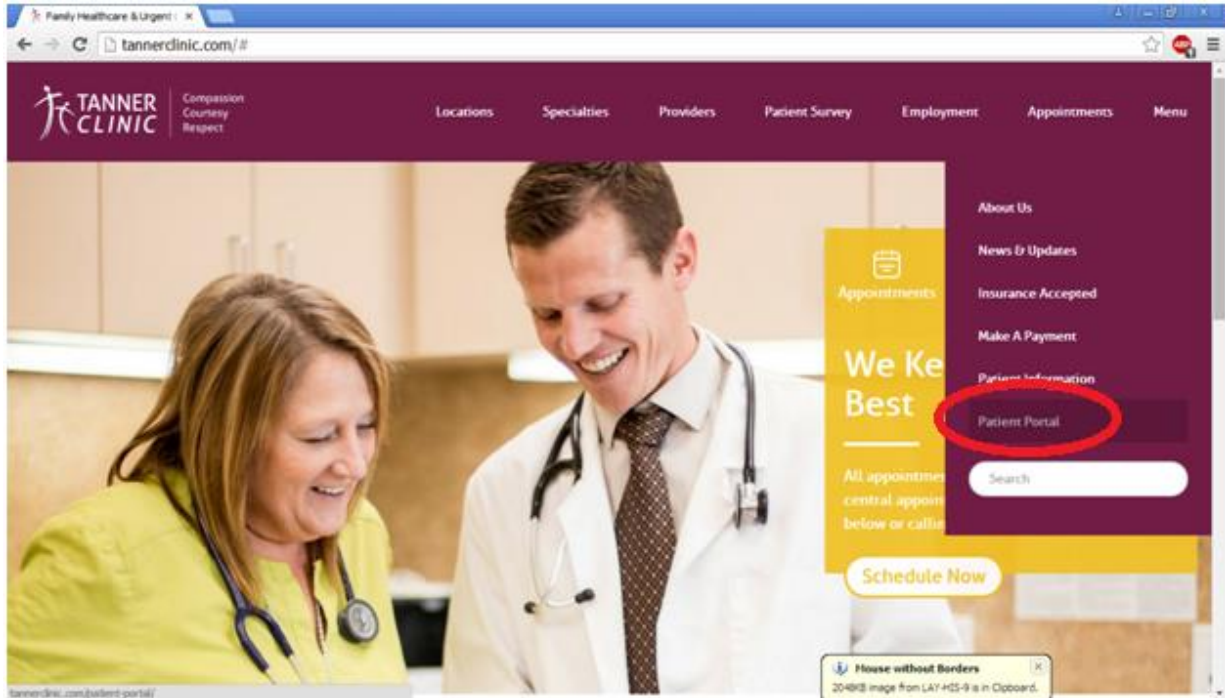

Step 1: Visit tannerclinic.com

Step 2: Click on the menu drop down, located in the top right hand side of the site.

Step 3: Select Patient Portal from the drop down

Step 4: Scroll to the bottom of the patient portal page until you reach the section that says NextMD Patient Portal Enrollment. Fill out the fields and hit submit. You will then receive an email containing the token number.
