

Is your child experiencing symptoms of Strep Throat?

- ✓ Sore Throat
- ✓ Swollen Tonsils
- ✓ Redness of Throat
- ✓ Tender Lymph Nodes
- ✓ Fever

Your child may qualify for a research study of an investigational test to detect Strep Throat.

If you agree to allow them to volunteer, your child will have up to three (3) samples collected from their throat during today's office visit.

Ask your doctor during your visit today or contact
