

# Is your child experiencing symptoms of the flu or respiratory virus?

- ✓ Wheezing
- ✓ Fever
- ✓ Sore/Achy muscles
- ✓ Labored breathing
- ✓ Sneezing
- ✓ Coughing
- ✓ Sore Throat
- ✓ Headache
- ✓ Runny or Blocked Nose

Your child may qualify for a research study of an investigational test to detect the flu or respiratory virus (RSV).

If you agree to allow them to volunteer, your child will have up to three (3) samples collected from their nose during today's office visit.

Ask your doctor during your visit today or contact

Carson Kennedy  
Clinical Research Coordinator
