

Below is the process to be submitted the super bill for a telemedicine visit. **NOTE: The order is important for everything to work properly.**

Open the Superbill_TC template and add the diagnosis codes, if they are not already there. After all diagnosis codes have been entered:

1. Select the dx codes for the visit
2. Select the EM code (must be done before clicking the Telehealth checkbox)
3. Click the Telehealth checkbox – this will append a '-T' to the end of the code indicating the visit is a telehealth visit.
