

2. Kaysville and Syracuse After Hours will close. These providers will assist in Layton and Westside, doubling up the providers during After Hours – one at front seeing COVID symptomatic patients and the other seeing regular After Hours patients.
3. NO CHANGE to traditional ‘walk-in’ patients – If COVID, follow protocol. If not, still allow to be treated.

Detail of today’s changes:

1. All locations will have “door greeters” that screen EVERY patient according to the attached triage questions.
2. Phone personnel will forward concerned COVID calls to clinic hotline staff. Hotline will be open matching UrgentCare/After Hours hours. Hotline staff will screen patients according to the attached triage questions. COVID symptomatic patients will be sent to Layton Main. Others, handled as usual.
3. Layton main – daytime and After Hours
 - a. Stalls at the south end of the Layton original building (near the south entrance) will be clearly designated.
 - b. Full-time staff will be available for in-car testing as patients arrive. Monday-Friday 9 am – 9 pm. Saturdays 9 am – 5 pm.
