- L. Missionary quarantine for providers who are getting questions about retaining Ebs missionary quarantine guideline, please see attached from Candice Smith. 3. Chest xrays update from yesterday's update - patient need to carry a hard copy order, wear a mask and check in at hospital main entrance rather than ER tent.
- Telemedicine Letter Please see attached letter from board member, Ben Humpherys. Triage protocol change – The COVID hotline is transitioning to more doctor Tele-Triage to better assess medical needs and appropriately route patients. This starts Monday. See attached set of triage protocols for details.

3-26-20 change summary:

- Patient-only. From whatever work position, please encourage patients to not bring anyone to their
- appointments that aren't absolutely necessary to be there. 2. Telemedicine! The doxy, me platform is working well. All providers and offices would be wise to
- consider using it, where applicable, for patient care. It will keep us connected to our patients, and
- them to us. Employee hours. The clinic is committed to keep doing whatever possible to provide work hours for

staff where reductions are inevitable, yet also not spend clinic resources unwisely. We can all work
