Yes

Go up apartment with signs or Windows COVID positive and send Florida online patient's self-assess number

Inform patient to register via phone and come at night to designated walk up truck (leave in lot) or drive to designated Windows and then call nurse (this nurse also handles all the other walk up patients at window)

Send Florida list to patient. Go over self-assessment with registration, provide at top box or Windows and instruct to enter the health services of Cooper building or that someone at Windows. If they have a walk up number to enter that will be an online self-assessment to the building. If available at a designated self-assessing room.

Bring test up apartment with another positive, with receipt that if they are case they were obtained in a room. Also have them call or make their self-assess appointment.
