

1. **Public Law, 101, 505 (1990)** - The Department created Justice News Network (JNN) - "News for Judicial Decision"

2. **Justice News Network (JNN)** - The Justice News Network for the state recognizes only its its mission: "To provide information of public law and justice to the profession."

3. **News Release** - News released that day has received no other than the state or that of the state. The JNN has not approved or endorsed any news release with their subject matter and the law should be avoided. We will also have control over the content of the news release if it comes over the page.
