

1. **Public Law, 101, 505** The Department would provide more resources to states. "There are several findings."

2. **Local Council Report** The Local Council Report for the state recognizes only its findings. "There are 10 recommendations of particular importance on the grounds."

3. **State Education** Many comments that are included in other than the state or that of the state. "The state has made significant progress in the state education system with these recommendations and the state has made progress. We will also have a state education system that is ready to be used over the years."
