Subject: COVID-19 Testing/Protocols

Dear Valued Stakeholders:

It is with great pleasure to ask for your support in ensuring that our requests from you reflect the latest, changing information on all the relevant hospital/health care/long-term care testing facilities you do across all the Sevenson Health Care, Testing/Protocols facilities conditions. We have updated our priority list to ensure the most up-to-date guidance is reflected in our current on-line document, ready for our customers and facilities centers. We would greatly appreciate your response to the survey and to help us to better understand what you think of our tests and the facility. It is important to us to ensure that the information we provide to you is accurate and up-to-date. We would appreciate your feedback on this survey.

Testing/Protocols
