

## **all remaining statements should be considered TRUE UNLESS**

### **The issue:**

Focus and questions should not concentrate on what and precisely will occur  
during crisis or the signs  
Statements should be considered TRUE

### **The issue:**

- An outgroup or family gathering
- Expressing strong emotions
- Being on the way home after treatment session
- Focus on symptoms of loss, guilt, or tension of event

Family members bring to the same focus as the internal statements are  
considered TRUE or FALSE

### **The issue:**

Statements could be wrong  
They were in contact with internal issues. The answer depends  
on signs
