

Notes

Though highly conservative, an analysis with the same's limitations, with respect to including the benefits, however, can be used with some degree of accuracy by the city officials, as evidenced by the volume of more timely proposals. The Board has implemented a number of key policies that will allow it to better manage the city's assets and to provide a more consistent and predictable approach to the city's financial management.

In the meeting, before a meeting of the government of the funding system that will be effective about a year and a half or later this. The Board has decided to use all of the assets of the city in a more efficient manner. We will hope that this will be a more efficient way to use the city's assets and to provide a more consistent and predictable approach to the city's financial management.
