2. From Davis Hospital:

- a. "This morning we will be reopening our drive thru testing center. While we have increased ability to run the test there is still a significant shortage of supplies needed to collect samples. We have set aside a significant number to be available for future use of Inpatients and the ER. The remainder of our supplies we intend to use to support the States effort in hope of reducing the spread of the virus. As we did previously we will require a prescription from a physician and request that they follow the CDC guidelines for testing."

3. Pediatrics Reparatory Urgent Care will now see patients in the Layton Respiratory Urgent Care location rather than Westside. This starts tonight at 4 PM. Their hours are M-F 4 PM – 8 PM and Saturday 9 AM – 4 PM.

4-03-2020 change summary:

1. The door screening protocol has been updated to require tele-triage visits for all patients with COVID Symptoms or travel history outside Utah or contact with anyone that is suspected or confirmed to have COVID. All locations will also check temperatures of everyone entering the building to make sure their temperature is below 100° F. (see attached Screener Flowchart for details)
