7-10 Days with PCP**
Include O₂ Check in Car if
Necessary

**Telehealth Visit Between
2-3 Days with PCP**
Include O₂ Check in Car if
Necessary

Send to Emergency Room

Per CDC and Davis County Health Department:

Persons with COVID-19 who have symptoms and were directed to care for themselves at home may discontinue isolation under the following conditions:

- At least 3 days (72 hours) have passed *since recovery* defined as resolution of fever without the use of fever-reducing medications **and**
- Improvement in respiratory symptoms (e.g., cough, shortness of breath); **and,**
- At least 7 days have passed *since symptoms first appeared*.

***At this time, there is no approved medication or treatment for outpatients with COVID-19**
