

Tanner Clinic employees are just – **AWESOME!** We see so much happening every day by so many in so many ways, it's impossible to capture it all. We are awe-struck at the value you provide for the clinic and, most importantly, the patients. And that's just on a normal day. Add in the load and stress of COVID screening and testing and wearing masks all day – nothing short of miraculous. **THANK YOU, THANK YOU, THANK YOU** for your dedication to your jobs, the patients and each other. We are humbled to be counted among you. A big CCR to everyone!

~ Dr. Meek, Theron and Brandon
