

Tanner Clinic Provider's Meeting

February 15, 2021

East Layton Expansion

Estimated Completion Date – August 1st

- The new wing 1st floor (7,420 ft²) will be home to:
 - Dr. Mike Dee and PA Chase Mitchell (Ortho)
 - Dr. Kenna Larsen (Ortho)
 - Dr. Mac Thurston (FP/Sports Med)
 - 2 additional providers yet to be determined
- An additional X-ray and cast room will be added to accommodate ortho volume
- There will be total of 4 vacant offices in the building-currently determining how to fill them.
- An unfinished basement (6,424 ft²) is planned and will be built once we are ready to fill it.
- The basement has its own dedicated entrance with elevator access.

Current Progress

- East Layton expansion construction permit received from Layton City on Mon, Feb 8th.
- Digging for the foundation began today. (photos from this morning)
