If this visit is due to an accident, please provide the information here: Auto Industrial

Details:

Consent to Treat and to Disclose Protected Health Information: I authorize the physician or physicians in charge of the care of the above-named patient to administer anesthetics and/or medications and to perform such operations and/or diagnostic procedures as may be deemed necessary by the physician for the diagnosis and treatment of this patient.

The practice's Written Privacy Notice provides detailed information on how we may use and disclose protected health information. By signing this consent form, you acknowledge that you have received a copy of the Written Privacy Notice and are in agreement with our use and disclosure of protected health information for treatment, payment, and health care operations. Patients injured at work typically obtain information through their adjuster or employer. I have read and understand the above statements. Affixing my signature to this form represents my receipt of the Written Privacy notice, my consent to treatment, and the above-listed uses of protected health information.

Date

No Show/Cancellation Policy

When your appointment with our office is scheduled, we make sure there is enough time & staff scheduled to provide you the necessary care for your visit. Should you need to cancel or reschedule an appointment please contact our office as soon as possible and no later than 24 hours prior to your scheduled appointment. This allows us to schedule other patients who may be waiting for an appointment.

- Arriving at our office any later than 10 minutes past your scheduled appointment is considered late and you will be asked to reschedule.
- Any new patient who fails to show up for their initial appointment with no communication, will not be rescheduled
- Any established patient who fails to show or cancels/reschedules an appointment and has not contacted our office with **at least 24 hours' notice** will be considered a No Show and be charged a \$50 fee.
- Any established patient who fails to show or cancels/reschedules an appointment with no 24-hour notice a **second time** will be charged a \$100 fee.
- Any established patient who fails to show or cancels/reschedules an appointment with no 24-hour notice a **third time** will be dismissed from our office.
- The fee will be charged to the patient, not the insurance company, and is due at the time of the patient's next scheduled visit.

As a courtesy, reminder calls/texts are made for appointments. If you do not receive a reminder call or message, the above policy will still remain in effect.

We understand there may be times when an unforeseen emergency occurs and you may not be able to keep your scheduled appointment. If you should experience extenuating circumstances please contact our office. If there is no answer, leaving a message is acceptable.

I have read and understand the No Show/Cancellation Policy and agree to its terms.

OUTSIDE FACILITY FORMS/LETTERS POLICY

Any and all outside facility required forms (School Medication Administration, FMLA, DMV, Functional Ability) are to be associated with an office visit and brought to an office visit in order to be completed at no extra charge.

For forms that are brought outside of a scheduled visit, the fees for completion of the forms are as follows:

- FMLA and any related disability forms - \$300 per hour (time includes rough draft and finalization).
- School Medication Administration forms - \$45 flat fee if not brought to a follow-up appointment in clinic.
- Any other outside facility forms with no appointment - \$45 flat fee to complete.

Please be aware that it may take one week, 7 full days, to complete the form(s). Each form must be completed by the patient, to the extent possible, prior to providing form(s) to our clinic. An accurate return fax number or mailing address IS REQUIRED.

If these guidelines are not followed, the form will not be completed.

Thank you for your understanding.

POLICY NAME: Photographing, Video Recording, Audio Recording, and Other Imaging of Patients, Visitors, and Workforce Members

DATE: October 9, 2018

To facilitate compliance with the Health Insurance Portability and Accountability Act (HIPAA) Standards for Privacy of Individually Identifiable Health Information (Privacy Standards), 45 CFR Parts 160 and 164, and any and all other Federal regulations and interpretive guidelines promulgated thereunder, Rocky Mountain Allergy, Asthma, and Immunology at Tanner Clinic must take reasonable steps to protect patients, visitors, and workforce members from unauthorized photography, video or audio recordings, or other images due to the sensitive nature of patient information and to protect patient privacy.

Photographing/Audio Recording of Patients and Workforce Members by Patients, Family Members, and/or by the Patient's Visitors: The facility is not required to obtain consent from the patient when the patient is the subject of the photography/audio recording and such recording is performed by the patient or the patient's family members or the patient's visitors.

Patients, family members, and/or visitors are not permitted to take photographs of, or audio record, or video other patients or workforce members without written consent

I am signing the policy as my voluntary act and deed having read it in its entirety and understanding the contents thereof to my satisfaction, and I acknowledge that it is binding upon me, my legal representatives, heirs, and assigns.

Medications Check List

There are numerous medications, including some anti-depressant medications, that interfere with testing and should not be stopped due to the nature of the drugs. Please check with your physician or pharmacist if you have any questions about specific drugs not listed below. If you cannot comfortably or safely hold your medication, please discuss this with your physician.

The following medications (over the counter and prescription) MUST be discontinued for at least 5-7 days prior to any skin testing.

Be aware, most **oral allergy medications** and some **allergy nasal sprays** and **eye drops** contain antihistamines. Many **cough and cold medications** contain antihistamines. Some **sleep aids**, as well as **antacids**, contain or have antihistamine effects. Pay attention to off-brands as well. This list is not all-inclusive. Please contact our office if you have any questions.

Actifed	Claritin D	Opcon-A eye drops
AccuHist	clemastine generic	(napazoline)
Antivert (meclizine)	Chlortrimeton	Optivar eye drops (azelastine)
Allegra (fexofenadine)	(chlorpheniramine)	Pataday
Allegra D	Cyproheptadine generic	Patanase
Aller-chlor (chlorpheniramine)	Dimetapp	Patanol/Pataday
Alavert	dexchlorpheniramine generic	Palgic (carbinoxamine)
Astelin Nasal Spray (azelastine)	dimenhydrinate generic,	Periactin (cyproheptadine)
Astepro Nasal Spray	diphenhydramine generic, or	Phenergan (promethazine)
(azelastine)	doxylamine generic	promethazine generic
Atarax (Hydroxazine)	Dramamine (dimenhydrinate),	Rhinotan
Astrepro	or Dramamine Less Drowsy	Semprex D
Atrohist	(meclizine)	Tavist Allergy (clemastine)
Arbinoxa (carbinoxamine)	Dymista	Triaminic
Benedryl (diphenhydramine)	Elestat eye drops (epinastine)	Tripohist triprolidine
(2-3 days)	Emadine eye drops	Unisom (diphenhydramine)
Bepreve eye drops	(emedastine)	Vistaril (hydroxyzine)
Bonine (meclizine)	Hydroxyzine generic	Xyzal (levocetirizine)
Brompheniramine generic	Lastacaft eye drops (alcaftadine	Zyrtec (cetirizine)
Bromfed	ophthalmic)	Zyrtec D
carbinoxamine generic	Marezine (cyclizine)	Zaditor eye drops (ketotifen)
Claritin or Clarinex (loratidine	Meclizine	Zentrip (meclizine)
or desloratidine)		

Also, please avoid the following **antacids** which have antihistamine effects for one week.

Axid (nizatidine)	Pepcid (famotidine)	Tagamet HB 200 (cimetidine)
cimetidine generic	Pepcid AC (famotidine)	Zantac (ranitidine)
Duexis (ibuprofen/famotidine)	Pepcid AC Maximum Strength	
famotidine generic	(famotidine)	
nizatidine generic	Ranitidine generic	

The following medications do **NOT** interfere with testing and **MAY** be taken.

Advair	Nasal crom	Rhonicort
Albuterol	Nasocort	Serevent
Antibiotics	Nasonex	Singulair (Montelukast)
Atrovent (Ipratropium)	Nexium (Esomeprazole)	Slobid
