

# Are you interested in taking part in a clinical study?

We are looking for people with **eosinophilic esophagitis (EoE)** to take part in a study called **CROSSING**.

**You may be able to join the study if you...**

-  **12+** Are between 12-80 years of age
  -  Have been diagnosed with EoE
  -  Have problems with swallowing on a regular basis
  -  Have been treated for EoE before
- OR**
-  Are currently receiving treatment for EoE

**For more information**  
please contact:

Principal Investigator: Dr. Firszt  
Clinical Research Coordinators:  
Alyssa Firszt 801.773.4840 ext. 5520  
Eva Fitchford 801.773.4840 ext. 3642  
*Please take a picture of the poster to review.*

**Taking part may help us better understand EoE and improve medical care for people diagnosed in the future.**
